

HAUTE ROUTE FANES-SENNES-BRAIES SKITOURING - DOLOMITES

A great three-day ski touring traverse that will allow us to cross the whole massif without getting down to the valley. Different variants are possible according to the participant's skills.

Fanes-Sennes highland is renowned for its environmental and natural features, located inside D'Ampezzo Dolomites' Natural Park. Overnights are in comfortable mountain huts: Rifugio Ucia de Sennes, Rifugio La Varella, or Rifugio Fanes.

PROGRAM:

Day 1°: meeting in the morning at Capanna Alpina (1.720 m.) and walk up to Fanes (2.060 m.) and La Varella hut (2.042 m.). Climb up to M. Castello (2.817 m.) eventually.

Day 2°: descent to Lago Piciodel (1.819 m.) and skin up to Forcella Ciamin (2.395 m.) and Forcella del Gran Valun (2.500 m.). Downhill through the Gran Valun to Fodara Vedla hut and walk up back to Sennes hut (2.116 m.).

Day 3°: optional skin up to Muntejela de Sennes (2.787 m.) then traverse to Biella hut (2.327 m.). Downhill all the way to Braies Lake (1.494 m.) along the Vallone del Forn. Program could be changed cause organization problem or meteorological conditions.
